

# BENELLI 'WE CARE' SINKS

ASSISTED CARE  
SDA + Affiliated Specialists 2025

# Freedom Care

Benelli 'We Care' Stainless Steel Kitchen Sink models have been designed and manufactured with input + assistance from people involved with SDA and affiliated specialists, and with all models crafted to comply with their standards as well as AS1428.1, you can use with confidence these products.

Assisted living kitchen sinks are essential for creating a kitchen environment that is both accessible and stylish.

Designed with accessibility in mind, Benelli assisted living sinks feature a lower bowl height, user-friendly controls, and spacious layouts. These features make it easier for individuals in wheelchairs or those with limited mobility to use the sink comfortably and independently.

All sink models here within are featured with Benelli "Freedom Care" BEN-38119L Kitchen Sink Mixer. Mixers and Accessories not included.

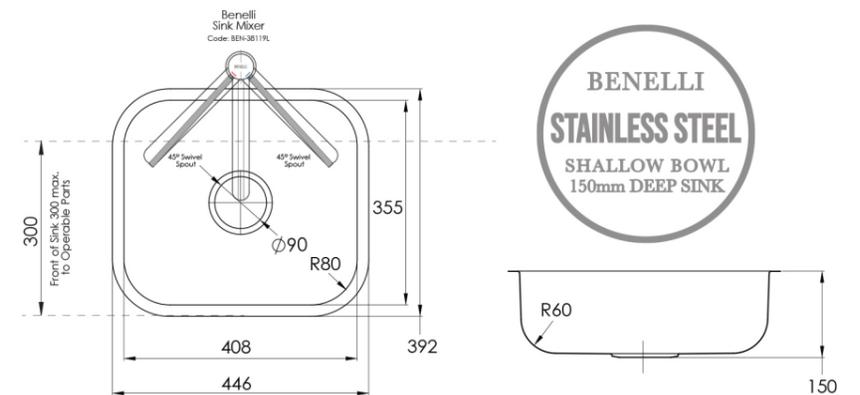

Important Note: These sink models meet compliancy only with Benelli Freedom Care Mixer BEN-38119L from the Freedom Care Mixer Range when placed within the correct reach from the front of the Counter Bench.

These sinks offer the strength needed for daily use while being easy to clean and maintain, making them a popular option in any assisted living kitchen.

All installations should be carried out by a qualified tradesman in compliance with the national Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZA 6400.
