Special Disability Accommodation

S.D.A (Special Disability Accommodation) is housing designed for people with extreme functional impairment or high support needs. It gives people with a disability the ability to live independently.

Mark Miller
 Mark Miller

Modern flow controlled spout and showers operate best at full pressure.
 Turning the handle clockwise starts cold water flow increasing the rate at a quarter turn.
 Continuing to turn introduces warmer water until full hot water flow is reached at half turn.

Warranty Statement

Benelli Global Vanities are guaranteed for 5 years domestic use and 1 year commercial use from date of purchase subject to the following conditions:

1. Installation has been carried out by a licensed plumber in accordance with the plumbing code of Australia.
2. All maintenance and adjustments to the product after the installation have been carried out by a licensed plumber.
3. Only mild household detergents and soft (non-abrasive) cloth has been used to clean the product.
4. All goods of substandard quality manufacture (excluding imperfections permitted within AS1976 - material used in sanitary applications) will be credited or replaced by the manufacturer when advised within the warranty period, subject to prior inspection and agreement.
5. Proof of purchase is required for warranty claims.
